

We want to know what you think...

Community Enterprises PL12 (CEPL12) currently operates from The Hub at the bottom of Fore Street. We are rapidly outgrowing our premises and are investigating the possibility of taking over the empty Barclay's Bank building in order to extend our activities.

To apply for funding to develop this project we require evidence that we have the support of the local community! We would be grateful if you could take a couple of minutes to fill in this survey as your support could make a difference to our success in applying for funding.

More than one person per household can complete the survey. The deadline for completion is end of April.
